10,000 MANIACS FEW AND FAR BETWEEN

ELEKTRA

Dear Friend,

In 1992, young people turned the tide of political apathy —
11 million of us went to the polls on November 3,
a record breaking turn-out.

By voting in large numbers we seized the nation's attention.
Now we have a chance to make an impact on those issues that effect
young Americans everyday, like tolerance, censorship, health care,
the economy, and educational funding.

Rock The Vote gives you a way to get involved in politics and make your
voice heard — as part of a huge movement of young Americans fighting
together for the youth agenda in our schools, our communities,
our workplaces and our culture.

Last year we won political power. ROCK THE VOTE is the way to use it.

Natalie Merchant
